STIPULATION AND [PROPOSED] ORDER  
C 03-1179 JSW (MEJ)

1 Plaintiffs Laser Design International, LLC and Norwood Operating Company  
2 ("Plaintiffs"), and defendants and counterclaimants Crystal Magic, Inc., Jimac Marketing, Inc.,  
3 Cerion GmbH, and Vitro Laser GmbH ("Defendants"), by their undersigned counsel, hereby  
4 submit the following stipulation:

5 1. This Court, in its May 16, 2006 order granting Defendants' motion for leave to file  
6 amended final invalidity contentions, set an August 18, 2006 deadline for discovery with respect  
7 to the ABBA and CAQE prior art.

8 2. The Parties subsequently stipulated to, and the Court approved, an extension of the  
9 deadline related to this discovery until October 8, 2006.

10 3. A Rule 30(b)(6) deposition of Baublys Control Laser ("Baublys") relating to the  
11 ABBA prior art was set for October 4, 2006. A subpoena has also been served on Bernard  
12 Bolduc, but a deposition date has not been set.

13 4. Plaintiffs have indicated a desire to postpone the Baublys deposition. Defendants  
14 do not oppose this extension and correspondingly wish to also extend time for taking the  
15 deposition of Bernard Bolduc.

16 5. The parties recently filed a stipulation, which the Court has approved, to extend the  
17 deadline for completing expert discovery in this case until January 15, 2007.

18 6. Accordingly, the undersigned hereby stipulate that the discovery cutoff be  
19 extended until January 15, 2007 for the purposes of obtaining discovery from Baublys and  
20 Mr. Bolduc. This time modification will have no other effect on the schedule for the case.
